

لسّه فاكر

LISSA FAAKIR
DO YOU STILL THINK

لسه فاكر قلبي يدملك أمان *(Do you) still think my heart gives you trust*
ولا فاكر كلمه حتعيد اللي كان *or think that a word will bring back what is past*
والا نظره توصل الشوق بالحنان *or a glance would join passion with longing*
لما تسألني أقولك كان زمان *when you ask me I tell you it was a long time ago*
كانت الأيام في قلبي دموع بتجري *The days were in my heart tears which ran down*
وانت تحلالك دموعي وهي عمري *and you, my tears made it sweet for you, they were my life*
ياما هانت لك وكانت كل مرة *How much they seemed little to you & every time*
تمحي كلمه من أمانني فيك وصبري *they wiped away a word from my trust in you & my patience*
كلمه لما راح الهوى ويا الجراح *A word when love left with the wounds*
