

## حُبِّكَ نَار

المطرب: عبد الحليم حافظ  
كلمات: مرسي جميل عزيز  
لحن: محمد الموجي

حُبِّكَ نَار بَعْدَكَ نَار قَرَبِكَ نَار  
وَكَتَرَمِ النَّارِ نَارِ يَا حَبِيبِي حُبِّكَ نَار  
حُبِّكَ نَار مَشَ عَايِزَ أَطْفِئِهَا  
وَلَا أَخْلِئِهَا دَقِيقَةَ تَفَوُّتِنِي مَا حَسَسْتُ بِبِهَا  
نَارِ يَا حَبِيبِي نَارِ صَحَّتْنِي خَلَّتْنِي  
أَحِبِّ الدُّنْيَا وَعَايِشْ لِيَالِهَا  
نَارِ يَا حَبِيبِي نَارِ  
يَا مَدُونِي فِي أَحْلَى عَذَابِ  
بَابَعْتَ لَكَ بَعْنِيهِ جَوَابِ  
مَشَ لَوْمِ يَا حَبِيبِي وَلَا عِتَابِ  
مَشَ أَكْثَرَ مِنْ كَلِمَةِ آهٍ  
يَا حَبِيبِي بَا حُبِّكَ آهٍ  
آهٍ لَوْ تَعَرَفَ اللَّيْلِ أَنَا فِيهِ  
وَالشُّوقِ اللَّيْلِ غَلَبَتْ إِدَارِيهِ  
كَانَ قَلْبُكَ يَسْهَرُ لِيَالِيهِ  
مَعَ قَلْبِي وَيَقُولُ لَهُ آهٍ  
آهٍ يَا حَبِيبِي بِحُبِّكَ آهٍ  
حُبِّكَ نَارِ بَعْدَكَ نَارِ قَرَبِكَ نَارِ  
وَكَتَرَمِ النَّارِ يَا حَبِيبِي

## Your Love is Fire

Singer: Abdel-Halim Hafez  
Words: Mursi Gameel Azeez  
Music: Muhammad al-Moogy

Your love is fire, your remoteness is fire, your closeness is fire  
And more than fire, fire, O my love, fire  
Your love is a fire I don't want to extinguish  
Nor can I leave it a minute to pass by not feeling it  
Fire, O my love, a fire which awakened me and made me  
love the world and live its nights  
Fire, O my love, fire  
O you who have worn me out in the sweetest torment  
I send you, with pleasure, a letter  
It's not a reproach nor a rebuke  
it's nothing more than the word "Ah!"  
O my love I love you, Ah!  
Ah! if you knew (the state) I'm in  
and the passion which I have given up hiding  
then your heart would be staying up nights  
with my heart telling it "Ah!"  
Ah! my love, I love you, ah!  
Your love is fire, your remoteness is fire, your closeness is fire  
And more than fire, O my love
