## THE HOPE OF MY LIFE

أمل حياتي يا حب غالي ما ينتهيش *The hope of my life, O dear love, does not end*

يا أحلى غنوه سمعها قلبي ولا تتنسيش *O sweetest song that my heart has heard unforgettable*

خد عمري كله بس النهارده خليني أعيش *Take my life all of it, but for today let me live*

خليني جنبك. . . في حضن قلبك *Let me be next to you, in the embrace of your heart*

وسيبنى أحلم يا ريت زمني ما يصحني *Leave me to dream, I hope when my time comes that it does not wake me*

أمل حياتي عينيه يا أغلى مني عليه *The hope of my life is his eye, how much more precious than myself he is*
