

افرح يا قلبي

Be Happy, O Heart

Composer: Ahmad Ramy

افرح يا قلبي لك نصيب
تبلغ منك ويا الحبيب
افرح يا قلبي
يا فرحة القلب الحزين
لو صادف الخل الأمين
بعد التمني والحنين
يبلغ مناه ويا الحبيب
افرح يا قلبي
الفكر كان تايه شريك
القلب كان هايم وحيد
واللي انكتب له يكون سعيد
يبلغ مناه ويا الحبيب
افرح يا قلبي
غني له ألحان الغرام
واحكي له اسباب الهيام
وافرح يا قلبي بالمرام
وابلغ منك ويا الحبيب
افرح يا قلبي
اقطف معاه زهر الحياة
مدام هواك وافق هواه
اخلص إليه اطلب رضاه
وابلغ منك ويا الحبيب
افرح يا قلبي

Be happy, O my heart, you are destined
to reach your fate with the beloved,
be happy, O my heart!
O happiness of the sad heart
if it meets the trustworthy intimate,
after hoping and yearning,
it reaches the its fate with the beloved,
be happy, O my heart!
Thinking was lost, an accomplice,
the heart was distracted, alone,
and he for whom it was written is happy,
reaching his fate with the beloved,
be happy O my heart!
Sing to him songs of love,
and tell him the reasons for distraction
and be happy, O heart, with what was desired,
and reach your fate with the beloved,
be happy, O my heart!
Pluck with him the flower of life,
as long as your love suits his love,
go finally to him and ask for his approval,
and reach your fate with the beloved,
be happy, O my heart!
